Common Questions

- **What is the minimum order quantity (MOQ)?**

Our minimum order is 500 kg.

- **Can I customize bags with my logo?**

Absolutely! We offer custom printing, sizes, and calibers. Reach out for a design mockup.

- **Are all products immediately available?**

Some items require production lead time. Availability depends on size, thickness, and print type. Please consult us before ordering, especially for custom or large-volume items.

- **What sizes and calibers are available?**

We manufacture and source a wide range of:

- **Sizes:** From small formats to industrial scale
- **Calibers (Thicknesses):** Light gauge to heavy-duty (ask for details per product)

Common Questions

- **Do you offer credit?**

Yes!

- **First and second orders:** Full advance payment
- **Starting from the third order:** Credit terms available (subject to approval)

- **Production & Lead Time**

Lead times vary depending on product and quantity.

Always verify availability and delivery time before placing your order.
